SOUND  
B A R

**KIN Play Sound Bar** is fully capable of providing exciting, explosive performance for movies and gaming, but can also play richly and with enhanced clarity at low volumes.

An array of equalization settings - Pure, Concert, Movies, TV, Night, and Games- ensure **KIN Play Sound Bar** adapts to every listening preference.

The latest addition to the KIN family shares similar technology with the series and is equipped with 4 x 4" KIN natural hybrid woofers and 2 KIN Metal Alloy dome tweeters. All drivers have been customized for their new cabinet and integrated amplifier which produces 2 x 75W.

The 10" 300wat **KIN SUB 10** can be easily paired wirelessly. It adds substantial depth and impact to the low frequencies, enhancing the bass experience.
