

KIN IC8 Ultra Slim

KIN IC 8 Ultra Slim is 2.25" total depth-previous KINIC8-SLIM model was 4". Our design incorporates a **fully enclosed dual function vented back box**, protecting all componentry against any physical damage or foreign intrusion yet allowing discreet venting for bass supplementation. Weather resistant drivers, can be used in covered outdoor applications and high humidity areas such as washrooms

Micro perf stainless-steel grills with **NEW weather resistant COATING ON GRILL**. Updated hardware for greater strength and durability. Suitable for any application, inside or out.

Glass Fiber Woofer

Reinforced glass fiber flat-cone woofer can be used in covered outdoor applications and high humidity areas such as washrooms.

Soft Dome Tweeter

1 inch PEI Optimized crossover componentry and dual phase deflectors on tweeter for increased dispersion.

2.25" in Depth

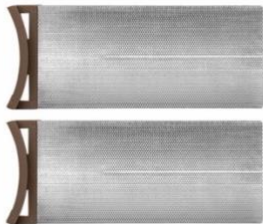

Specifications

Model:	IC8 ULTRA SLIM
Design:	8" Ultra Slim In-Ceiling Speaker
Frequency Response:	48 Hz – 25 kHz
Recommended Power:	20-125 W
Woofers:	8" Glass Fiber Flat Cone Double 'U' SURROUND woofer
Tweeter:	1" PEI Soft dome tweeter
Impedance:	8 ohm
Sensitivity dB @1W-1M	91dB
Dimensions (r x d):	279.4 x 57.15 mm / 11 x 2.25 in
Weight:	2.13 kg / 4.7 lb
Cutout	246.38 mm / 9.70 in
Grill type:	Weatherproof, magnetic, paintable, virtually bezel-less white metal
Accessories/Options	Pre-construction brackets
Speaker Terminals:	Spring loaded Gold Plated
Speaker Wire:	Accepts up to 12 gauge
Dispersion pattern:	75 degrees
