

SPECIFICATION SHEET

Rainmaker

The Totem Rainmaker possesses a startling adeptness at delineating and resurrecting detail and structure in music. The Rainmaker's flexible surround applications give it the power to be the cornerstone of your musical and AV experience. With the ability to perform well in various musical and A/V environments, the Rainmaker brings absolute music to the ears.

Moderately priced, the Rainmaker is built with the same impeccable cabinetry as higher-priced models. Elegant, slim and classic, the Rainmaker combines quality craftsmanship with affordability. Totem's exclusive crossover system and wiring are carefully selected and matched to project pure, fresh and honest musicality.

Magnetic grill included.
