

# SPECIFICATION SHEET

## KIN In-Ceiling

Fit for any musical genre, the KIN's sound precision and full spectrum projection allows for a deeper emotional connection with the music. The KIN's non-shifting image, on-or off-axis, stands clear and defined no matter where one stands in the room. It delivers an incomparable presence in the mid and high frequencies with a breathy and detailed musicality.

Made with interrelated proprietary woofers and tweeters, like the jewel high-performance MHEX cone woofers and the hyper extending dome tweeters, the KIN offers perfect sound staging and phase correctness to bring an absolutely startling emotion-filled room musicality. Designed to expand the musical experience, the new KIN is truly an authentic TOTEM speaker.

Metal grill included.
