

SPECIFICATION SHEET

Rainmaker Center

An incredibly refined full-range center speaker that is tremendously articulate, rhythmic and dynamic excelling in micro-nuances and voicing. Conveniently sized yet affordable, it offers considerable flexibility and compatibility with most electronics and speaker systems.

The Rainmaker Center is equipped with a pair of twin, gold-plated terminals and a hard-wired, point-to-point exotic crossover that enable bi-wireability and top performance. Moderately priced, it presents the same impeccable cabinetry as higher-priced models. Elegant, slim and classic, the Rainmaker Center combines quality craftsmanship with affordability.

Optional grill available.
