

SPECIFICATION SHEET

Tribe Tower Thunderbird

The Tribe Tower Thunderbird redefines modern loudspeaker design with its blend of technological innovation, artistic form, and acoustic purity. Equipped with Totem's revolutionary Torrent Technology™, it delivers pure, phase-coherent sound with unparalleled clarity, spaciousness, and realism. Aesthetically sleek and structurally robust, this new flagship design adapts effortlessly to any environment, offering a full-scale musical experience regardless of room size or placement.

Inspired by the mythological Thunderbird—a sacred symbol of strength, spirit, and elemental power—the Tribe Tower Thunderbird brings forth sound that is bold, breathtaking, and deeply connected to the human experience.

Magnetic grill included.
