

SPECIFICATION SHEET

Tribe III

With cutting-edge patented technology, the Tribe is luxuriously detailed and perfectly proportioned. Exclusively designed, they are among the slimmest wall speakers available, offering a brocade of rich harmonics with world-leading on- and off-axis dispersion and frequency range.

The Tribe III is a true full-range speaker that activates sound naturally and effortlessly with complete phase coherence and unequalled dispersion. It is truly one of the world's best speakers. Using Totem's in-house produced and hand-assembled Torrent™ woofer, it sets new standards in all domains. Nuance, inflection, detail, power and flexibility are just some of its qualities. The Tribe III is also available in Design finish.

Magnetic grill included.
