

SPECIFICATION SHEET

Tribe II

With cutting-edge, patented technology, the Tribe is luxuriously detailed and perfectly proportioned. Exclusively designed, they are among the slimmest wall speakers available, offering a brocade of rich harmonics with world-leading on- and off-axis dispersion and frequency range.

With Totem's most advanced parts and technology integrated into their sleek chassis, they set the aesthetic and sonic standards for on-wall cinema/surround speaker systems. The integration of this complete surround package is so synergistic that the result has to be heard to be believed.

Magnetic grill included.
