

SPECIFICATION SHEET

Element Fire

Design Finish

Dusk

Ice

The Element Series is unique in its architectural design and geometric conception. Its stunning multi-angled chassis displays no apparent parallel lines, while defying the laws of perspective.

Available in gleaming, luxurious, 4-coat polyester finishes: Dusk/Black or Ice/White. The Element Series also comes wonderfully appointed with custom designed & machined aluminum terminal back plates, precision machined reflex ports, and fabulous platinum W.B.T. connectors (bi-wireable).

Magnetic grill included.
