## KIN Mini

---

With more than a quarter century of innovative compact loudspeaker design, Totem has just culminated in the superb, flexible and totally revolutionary KIN Mini. Super tuned for gigantic imaging with crosshair precision, it will enthrall you like no other speaker on the market today.

The new KIN Mini ultra-compact unit provides a sonic landscape that is so large, so precise, so articulate and so musically in-phase that listening standards might have to be redefined. Along with its ability to be placed anywhere, in any position, at any height or location, even hidden in a recess area, the KIN Mini delivers its total immersive musical capability with total accuracy.

Magnetic grill included.
