

SPECIFICATION SHEET

Sttaf

The Totem Sttaf is a journey into spatial sonority. Affordable and adaptable, the Sttaf is a multi-functional speaker system that goes beyond established standards. With the Sttaf, any kind of music is presented beautifully and honestly with amazingly true bass extension, foundation and substance. Its energetic, harmonious behavior makes it a distinctive choice for the seasoned ears.

The Sttaf's proportions, cabinetry and classical elegance make for easy placement in any room environment. Huge, large-gauge, air core coils in the crossover guarantee that the speaker will never saturate in critical vocal and high-definition areas. Adaptable and easy to use with many affordable stereo and A/V electronics, the Totem Staff shines freely in every musical performance.

Optional grill available.
