

## SPECIFICATION SHEET

### Tribe Sub

---

Discover the most innovative subwoofer ever. Period.

With its sleek design and dazzling performance, the Tribe Sub is filled with inner power. Astonishingly high output levels and low frequency spectrum make the Tribe Sub awe-inspiring.

Ultra-flexible, the Tribe Sub can be used in any direction, horizontal, vertical, straight or flat. This on-wall beauty comes fully equipped with a stand to move it around and absorbent back feet to lay it on its back. It can even be slipped under the couch.

Magnetic grill included.
